

Editorial Board:

Zenonas Dabkevičius, editor in chief

Lithuanian Academy of Sciences, Lithuanian Research Centre for Agriculture and Forestry, Aleksandras Stulginskis University; agronomy

Gintaras Brazauskas, associate editor

Lithuanian Research Centre for Agriculture and Forestry; biology, genetics

Steponas Raudonius, associate editor

Aleksandras Stulginskis University; agronomy

Vidmantas Bendokas

Lithuanian Research Centre for Agriculture and Forestry; agronomy

Mirosława Cieřlińska

Research Institute of Horticulture in Skierniewice, Poland; plant pathology, virology

Virginijus Feiza

Lithuanian Research Centre for Agriculture and Forestry; agronomy, soil science

Mike Fullen

University of Wolverhampton, United Kingdom; soil science

Žydrė Kadžiulienė

Lithuanian Research Centre for Agriculture and Forestry; agronomy, ecology

Aldis Karklinš

Latvian University of Agriculture; soil science

Timo Kikas

Estonian University of Life Sciences; biorefining, environmental sciences

Eugenija Kupčinskienė

Vytautas Magnus University, Lithuania; biology, plant ecology and environmental sciences

Sigitas Lazauskas

Lithuanian Research Centre for Agriculture and Forestry; agronomy, plant nutrition

Pavel Matušinsky

Agricultural Research Institute Kromeriz, Czech Republic; plant pathology, molecular biology

Izolda Pařakinskienė

Vilnius University, Lithuania; biology, genetics

Rita Pupalienė

Aleksandras Stulginskis University, Lithuania; agronomy

Nils Rostoks

University of Latvia; biochemistry, genetics and molecular biology

Vytautas Ruzgas

Lithuanian Academy of Sciences, Lithuanian Research Centre for Agriculture and Forestry; agronomy, plant breeding

Roma Semaškienė

Lithuanian Research Centre for Agriculture and Forestry; agronomy, plant pathology

Vidmantas Stanys

Lithuanian Academy of Sciences, Lithuanian Research Centre for Agriculture and Forestry,

Aleksandras Stulginskis University; agronomy, genetics

Ingrida Šaulienė

Šiauliai University, Lithuania; biology, environmental science

Liudmila Tripolskaja

Lithuanian Research Centre for Agriculture and Forestry; agronomy

The publication is a quarterly scientific journal which covers a wide range of topics in the field of agricultural sciences, agronomy. It publishes articles of original research findings in the English language in the field of agronomy (soil and crop management, crop production, horticulture, plant protection, plant breeding and genetics, biotechnology, plant nutrition, agrochemistry, soil science, microbiology, etc.) and related areas. Review, debating papers as well as those of a methodological nature will also be considered. Articles are peer-reviewed.

The journal is abstracted and indexed in:

Thomson Reuters: Science Citation Index Expanded

ISI Journal Citation Reports / Science Edition: since 2008, Impact Factor:

0.579 for 2015,

5-year Impact Factor – 0.652

CABI: CAB Abstracts, Irrigation and Drainage Abstracts, Nematological Abstracts, Ornamental Horticulture, Plant Breeding Abstracts, Potato Abstracts, Review of Plant Pathology, Seed Abstracts, Soils and Fertilizers
